Move to Done

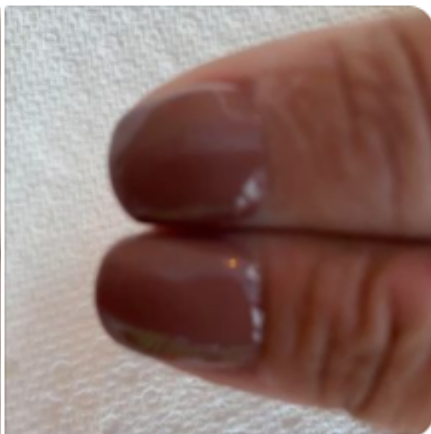

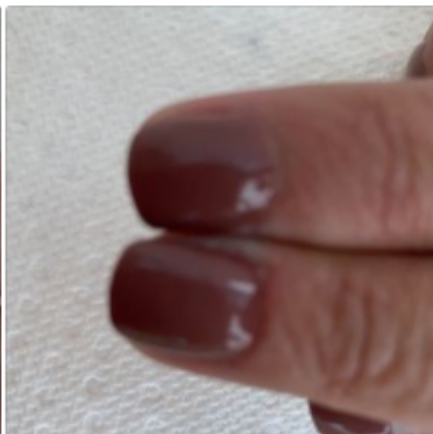

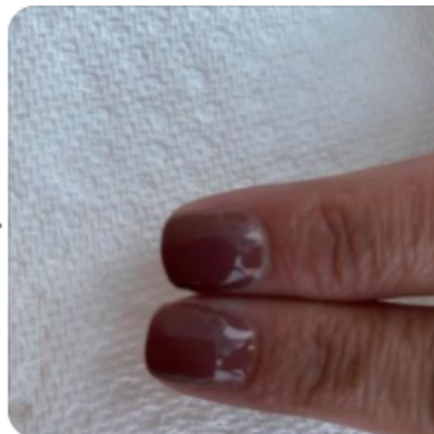

Hi Joanne, I came in for dip powders nails this evening. Thank you so much for squeezing me in. This is the second time in a row I haven't been satisfied with my manicure. Last time the French colors were uneven and the nails themselves weren't the same length. This time many of the nails aren't the same length. I don't like to be a pain but it's a lot of money to spend every couple weeks to have my nails look perfect. I've attached some pictures so you can see the difference in length. My thumbs are drastically uneven 😞
