

Nicole Burgess reviewed Kre8tive Nails & Spa LLC —

July 14, 2018 ·

Came here for the first time last week for a fill and they did a fantastic job. Not to mention to salon is super clean and the first thing I noticed was how clean and organized. I had to come back for a pedi and yet again I was super impressed! They don't do just ordinary pedis either! It's really like being at a spa
