This holiday, what gift will make your friends and family feel special?

Ease tired muscles and minds with a spa treatment gift card to Absolute Wellness Healing Spa. There's so many choices on our delicious spa menu to help your loved ones relax; like the Butter Rum Sugar Scrub.

Make their winter warmer with our signature hot stone massage. Or, get away from seasonal stress. Drift into deep relaxation on heated massage beds. Refresh with complimentary herbal tea or citrus-mint water. No matter what you choose, our therapists will give you personalized attention under healing hands. And, enjoy plenty of free parking.

Hello friends. My name is Francesca Blanchard and you may have heard my music. I try to capture the peace and beauty I see in the world, in my songs.

When I need renewal I take in the quiet of Absolute Wellness Healing Spa. Caring massage therapists give me the personalized attention I need. Heated beds and delicious treatments, like the Butter Rum Sugar Scrub, melt my stress away.

Why not come in and get a hot stone massage while listening to my calming new CD, "Deux Visions"? Or, give your friends and family a holiday gift that will make them feel special: a spa treatment gift card.
